

New for 2022

Twilight Memberships No Longer Available

Unfortunately, Twilight memberships will no longer be available at Nor-Gwyn Pool. To maintain our standards for safety and customer experience while serving as many families in the community as possible, the Pool Commission will only be providing Full-Time memberships beginning this season.

COVID-19

We fully anticipate a return to pre-COVID levels of equipment availability (WIBIT floats, sliding boards and other shared items), but we will continue to follow official guidelines as they evolve. Additionally, we will be retaining some of our increased cleanliness protocols.

2022 Registration Process

There are two registration periods. The first is for returning members only, and second is the General Registration for new and returning members:

Early Registration: March 15 – March 31

– Early Registration is for returning members only (those with memberships within the last three years)

General Registration: April 1 – Until we reach capacity

– General Registration is for new and returning members. During this period, all memberships will be awarded on a first-come, first-served basis. Registration for all will close when the pool's capacity is reached.

There are three ways to register: on-line (preferred), via mail, or in person during normal pool hours (provided there are still membership slots available.)

On-line Registration (Preferred)

NEW MEMBERS

Visit our website, www.norgwynpool.com, select “Click Here to Register” and follow the instructions to create a member profile. Then follow the steps above to select your membership level. New members will not be able to create a profile or select a membership level until the general registration period begins April 1st.

Reminder: All family members, regardless of age, must be listed on the family’s profile. All members over the age of one must be listed as active members and will be issued an ID card.

By completing your registration, you are agreeing to abide by [Nor-Gwyn Pool’s Rules](#), and the terms of our [Registration-Liability-Covid Waiver](#).

Mail-In Registration

Download the Patron Application and Waiver form from our website: www.norgwynpool.com. Copies are also available at the Upper Gwynedd Township Building and the North Wales Borough Hall. Complete the application in full and send it with a check payable to the “**Nor-Gwyn Pool Commission**” for the appropriate amount and mail to the address on the letterhead above. Your online profile information will be validated at the pool at your first visit. New and returning mail-in members are subject to the same capacity limitations as on-line registration.

In Person Registration – During Normal Pool Hours

If there are membership slots remaining on/after opening day, May 28th, 2022 registration can be done in person at the front booth. Patrons may register during regular operating hours and will be asked to validate their online profile information at that time.

During the general registration period both new and returning memberships will be awarded on a first-come, first-served basis. Registration for all will close when the pool’s capacity is reached. New and returning members are encouraged to register promptly; available membership slots are likely to be filled earlier than ever, possibly even prior to May 1st.
